Annual Business Meeting & Training Seminar

“Soaring Through the Trials of Transition”

Junior Conference Scholarship Solicitation

It's that time again! We are gearing up for our 45th Annual Business Meeting & Training Seminar (ABMTS) and soliciting donations for scholarships for underprivileged youth to attend the ABMTS Junior Conference. Each year, because of your generosity, we have been able to provide scholarships to 20+ youth from the local organizations such as the Boys and Girls Clubs and local church groups. It is evident by the feedback we receive from the youth in the various cities that have attended and participated in the workshops, field trips, and social events that AIM-IRS has definitely reached out to their communities in a very positive way.

2014 is yet another opportunity for our organization to make a difference in the lives of our future generation as well as leave an imprint on the city of Danvers, Massachusetts once we are gone.

By allowing the youth to attend the conference, not only do we provide them with a forum to see successful African Americans and other minorities in a professional setting, they also have several chances to interact, ask questions, and possibly even begin to explore the direction that they would like to take in their education and/or career.

Please consider making a personal donation, chapter donation, or regional donation. This year's registration fee is \$130 and is due by June 15, 2014. If full scholarships cannot be sponsored, a lesser monetary donation would be greatly appreciated to help defray the cost associated with the Junior Conference

Donations/checks should be made payable to "AIM-IRS" and mailed to:

Thank you in advance for contributing to OUR future!!!
